Appointments in the Physics Department of the Central College

General and Revenue Secretariat | File No. | of 193 . | [App. F. III—2

Serial No.

Letter No. 27223 dated 29.6.37 from the Registrar, Mysore University submitting proposals regarding arrangements for work in the Physics Department of the Central College, consequent on the appointment retirement of Rao Bahadur Venkatesa Char, Prof. of Physics, Central College, from service.

Subject

1) The proposals of the University are the following:

(1) To advertise the post of Second Professor of Physics

(2) To make the undermentioned ad hoc appointments, pending appointment of a Second Professor, from 24.6.37

(a) Mr. Ch. Sundara Char Asst. Prof. on Rs 300/- to act as Professor on an allowance of Rs 85/- p.m.

(b) Mr. N. A. Narayana Rao, Demonstrator on Rs 75/ to act as Lecturer in grade Rs 75-5-150 vice (a)

(c) The Demonstrator's appointment vice (b) to be filled up without advertisement on account of short duration of vacancy.

(The University do not seem to ask for permission of Govt. re: (c).)

D 37
9.37.37.

A draft for Govt. order approving of the above and draft advertisement are put up for approval and also arrangements, if any, for filling up

Re (c) the concurrence of C.R.B. is also perhaps necessary

It is since found that an advertisement has also been published in the Gazette for a post of Demonstrator in Physics

Serial No.	
	9) I discussed the matter with the Vice-Chancellor, and the General Secretary was also present. It is understood that Mr. Sundarachar, who is the seniormost Assistant Professor, is now doing the work of the acting Professor. He may be temporarily appointed as acting Professor until further orders. As regards further action to be taken to fill up the appointment, the University has now sent up a draft advertisement to be published in the papers. This advertisement is to obtain the services of a competent person for about two to five years. I do not think this is necessary at present and the Vice-Chancellor agrees. We have a number of young men in the Department who could be thought of after to the post some training and experience. The temporary appointment of the Senior Assistant Professor and the selection of one of the staff for training in England will meet the present requirement. Unless we want to continue the man as a permanent measure, it is not likely that we get a good person for a short period by advertising. As regards the selection of one of the staff, it was suggested both by Dr. Metcalfe and Dr. Venkatesachar that Mr. Sibaiya, Assistant Professor is an able man and he may be given some training in Western Countries. In the circumstances, it seems to be advisable to send him for training to England. After his return, the question of filling up the post may be considered.
	10) The question of granting a Damodar Das Scholarship for Physics is already under consideration in

NOTE—Contd. Sheet.

in connection with the award of scholarships this year, and Mr. Sibaiya may be awarded the scholarship.

11) The University may be asked to send up proposals to fill the consequential vacancy. In this connection the application of Dr. S. Ramaswamy may be considered.-

Subject.— Proposals regarding arrangements for work in the Physics Department of the Central College on the retirement of Rao Bahadur B. Venkatesachar.

15) Consequent on the retirement of Rao Bahadur B. Venkatesachar, Professor of Physics in the Central College with effect from the 18th June 1937, Mr. A. Venkat Rao Telang, Professor of Physics, has been appointed Head of Physics Department, and the University propose to advertise the post of the Second Professor, acting arrangement being made in the meanwhile. I had already discussed this matter with Dr. Metcalfe and Mr. Venkatesachar, and I have also since consulted the present Vice-Chancellor, regarding the need for advertising this post. We have a number of young men in the Department, who could be thought of for the post, after some training and experience. For these reasons, I consider, and the Vice-Chancellor agrees with me, that it is unnecessary, at present, to advertise the post. Further, it is not likely that persons with good qualifications will offer their services for a short period unless there was a chance of continuance for a further period. It is therefore proposed to appoint the Senior Assistant Professor, Mr. C.K. Sundarachar, as acting Professor until further orders and select one of the staff for training in Europe. These arrangements will meet the present requirements of the College. The proposals of the University in regard to the vacancy due to the promotion of Mr. Sundarachar in their letter of the 29th June 1937 may be approved.

16) As regards the selection of one of the staff for further training, it was suggested both by Messrs. Metcalfe and Venkatesachar that Mr. Sibaiya, Assistant Professor might be given some training in

in the Western Countries. The question of granting a Damodar Das Scholarship in the Physics Department has already been under consideration, and Mr. Sibaiya may be awarded this scholarship and sent to England for training. After his return from England, the question of filling up the post of the Second Professor may be considered.

17) As regards the consequential vacancy due to Mr. Sibaiya's deputation, an application has been received from Dr. S. Ramaswamy, B.Sc., Ph.D., son of Dr. S. Subba Rao, Senior Surgeon, for a post in the Physics Department, and action will be taken in consultation with the University for appointing him.

18) The Dewan and the Second Member of Council agree to these proposals and they may be graciously sanctioned.

21) The points for orders are the following :—

(1) The appointment of Mr C.K. Sundara Char as acting Professor and Consequential Arrangements,

(2) The Award of a Damodar Das Scholarship to Mr L. Sibaiya, Asst. Prof. for being sent to England for training.

(3) Action regarding the application of Dr Ramaswamy for a post in the Physics Department, to be taken in consultation with the University.

~~Re (2) and (3) an extract of the Final Note is put up for being sent to the Education Branch for further action.~~

22) Re. (1) A draft G.O. is put up.

K.M.R 30.9.37

23) Re: (2) & (3) A draft letter to Registrar is put up. There is a separate file in the Edn. Br. regarding the grant of D.D. Schp to Mr Sibaiya & further action may be taken in that connection.

24) One point in this connection is that in Registrar's letter d. 29.6.37 it is stated that a Demonstrator would be appointed in the ~~vacancy~~ vacancy consequent on the interim promotions proposed without advertisement on account of the short duration of the Vacancy.

NOTE—Contn. Sheet.

Arrangements in Physics department of the Central College

File No. CB2225 of 193 | General and Revenue Secretariat

As finally decided now, these interim arrangements may continue until the return of Mr. L. Sibaiya from Europe, ~~for~~ perhaps for some 2 years.
It is for consideration whether any instructions ~~are~~ need issue re: this appointment.
The University do not appear to solicit any orders of Govt. on this matter, but seem to merely make mention of what they would do.

GENERAL SECRETARIAT 30 JUNE 1937

SIR,

With reference to Government Order No. 2627-28/C.B. 87-36-17, dated the 16th April 1937, permitting Rao Bahadur Mr. B. Venkatesachar, Professor of Physics, Central College, Bangalore, to retire from the 18th June 1937, I am directed to state that Rao Bahadur Mr. B. Venkatesachar handed over charge of the Physics Department to Mr. A. Venkatarao Telang on the afternoon of the 17th June 1937. Pursuant to the University Council resolution dated the 15th May 1937, Mr. A. Venkatarao Telang, Professor of Physics, will be the head of the Physics Department.

It is proposed to advertise the post of the second Professor of Physics. I am to enclose herein for approval the draft of an advertisement inviting applications for the post.

I am to request sanction of Government for the following acting arrangements from the 24th June 1937, pending the appointment of the second Professor permanently:-

1. Mr. C.K. Sundarachar, Assistant Professor of Physics, pay Rs.300/- to act as Professor on an allowance of Rs.80/- per month.

2. Mr. N.A. Narayana Rao, Demonstrator on Rs.75/- per month to act as Lecturer in grade Rs.75-5-150 against the vacancy of No.1.

A Demonstrator will be appointed in the vacancy of No. 2 without advertisement on account of the short duration of the vacancy.

I am to add that Mr. C.K. Sundarachar is B.A. (Hons.) of the Madras University, has put in nearly 19 years of service and has been drawing the maximum pay, viz., Rs.300/- in the grade of Rs.200-25/2-300 from the 1st July 1933. He is the senior Assistant Professor in the Department.

Mr. N.A. Narayana Rao, B.Sc., Demonstrator in Physics (Sl. No. 5 in Appendix 'E' to G.O.No. E.1226-7/Uni.141-34-3; dated the 4th November 1935) is senior among demonstrators on the fixed pay of Rs.75/- in the Department. He has put in nearly 7 years of service.

I have the honour to be,

Sir,

Your most obedient servant,

REGISTRAR.

ISR.29.6.

UNIVERSITY OF MYSORE

PROFESSOR OF PHYSICS, CENTRAL COLLEGE, BANGALORE.

Applications are invited from duly qualified candidates for the post of PROFESSOR OF PHYSICS, CENTRAL COLLEGE, BANGALORE. The salary attached to the post is Rs.400-25-700. The post is permanent and the selected candidate will be on probation for two years in the first instance on the minimum salary of Rs.400/. The minimum academical qualification required is a good Master's Degree in Physics with a knowledge of modern Physics both in its theoretical and in its practical aspects and experience in research as attested by published papers. Preference will be given to candidates who have had experience of teaching and laboratory organization.

The service is pensionable and subject to the rules of the Mysore Service Regulations as regards salary, leave, leave allowances pension etc., and to the rules of the University ~~of~~ and the College regarding discipline. The person selected will be required to join duty early next session. (1937-38)

Applications should contain information regarding age, nationality, qualifications (including examinations passed, University, dates of passing and class), present position and salary, previous service, if any, and salary, works published and other particulars, if any. Copies of testimonials (which will not be returned) should accompany the application. Applicants already in service should forward their applications through their official superiors.

If required for an interview, candidates must be prepared to come to Bangalore or Mysore at their own expense.

Applications should be addressed to the Registrar, University of Mysore, Mysore, and sent so as to reach him on or before ~~the 31st August~~ 1937 (Three sets of application and testimonials required).

Registrar. 29-6-37

Copy of letter No.2701, dated 31st July 1937 from the Registrar, Mysore University, addressed to the General Secretary to the Govt. of Mysore.

. . .

In continuation of my letter No.27223, dated the 29th June 1937, forwarding for approval the draft of an advertisement inviting applications for the post of the second professor of Physics Central College, Bangalore, in the vacancy created by the retirement of Rao Bahadur Mr. B. Venkatesachar and proposing certain acting arrangements to be effective until a professor is selected, I am directed to state that the University Council to whom a report of the above action was made on the 10th July 1937 considered it desirable that the appointment of the second profess. by advertisement should be on a temporary basis for a period of two to five years, according to the qualifications of the selected candidate. I am to state that the advertisement proposed will be amended accordingly, after it is received back.

In making the above proposal the University Council took into consideration the case of Mr. L. Sibiah, Assistant Professo of Physics, who has been for long associated with Professor Venkatesachar in his research work and has been reported upon as well qualified to take up his line of study in the Physics Department. Mr. Sibiah is an M.Sc. of this University and an associate member of the Institute of Physics, and is 32 years of age. The University Council is strongly in favour of sending him on deputation for the study of advanced modern Physics for a period of two years either on a scholarship or on study leave with concessions. I am to request that this recommendation of the University Council be kindly approved and that a Damodar Das Scholarship for the study of Physics be sanctioned to Mr. L. Sibiah for a period of two years. I am to enclose herein a copy of the Council resolution of the 10th July 1937, and to request

P.T.O.

the favour of early orders of Government on the proposals contained in my letter of the 29th June 1937 and in this letter.

" C o p y "

Extract from the Proceedings of the Meeting of the University Council held on the 10th July 1937.

. . .

Subject. -

Read (i) Council resolution No.54, dated the 15th May 1937, regarding arrangements in the vacancy of Mr. B. Venkatesachar, retired.

(ii) Letter No.3860, dated the 14th June 1937, from the Principal, Central College, Bangalore, forwarding a copy of letter from Mr. A. Venkatarao Telang, Professor of Physics, submitting proposals regarding arrangements to be made.

RESOLUTIONS.

RESOLVED

(i) that applications be invited for the appointment of the second professor of Physics on a temporary basis for a period of not less than two years and not more than five years;

(ii) that Mr. L. Sibaiya be recommended for deputation for the study of advanced modern Physics on a scholarship or on study leave.

Proceedings of the Government of His Highness The Maharaja of Mysore.

....

Read:--

Letter No.27223 dated 29th June 1937 from the Registrar, Mysore University, requesting approval to the draft of an advertisement inviting applications for filling up the post of the Second Professor of Physics, in the Central College, Bangalore, and to certain interim acting arrangements.

2. Letter No.2701 dated 31st July 1937 from the Registrar, Mysore University, requesting sanction of Government to proposals made in a subsequent resolution of the University Council, in the matter.

- - - -

Order No.928-29/CB 202-36-2

Dated, Bangalore, the 15th Octr: 1937.

In view of the fact that there are members on the staff of the Department, who after some training and experience, can be expected to cope with the duties of the second Professor and also of the circumstances that it is not likely that persons with good qualifications will offer their services for a short period, Government consider that it is unnecessary, at present, to advertise the post, and the Vice-Chancellor who was consulted in the matter also concurs in this view. Action is being taken separately on the proposal of the University to depute an Assistant Professor to Western Countries for advanced

studies in modern Physics.

2. Pending permanent arrangements, the following acting arrangements for work proposed by the University are approved, to have effect from 24th June 1937 until further orders:--

(a) Mr. C.K.Sundara Char, B.A. (Hons:) Asst. Prof. of Physics on Rs.300/- p.m. to act as Professor of Physics with an allowance of Rs.80/- p.m.

(b) Mr. N.A.Narayana Rao, B.Sc., Demonstrator on Rs.75/- p.m. to act as Lecturer in grade Rs.75-5-150 ~~vice~~ in the vacancy consequent on the promotion of Mr. Sundara Char.
